### Treasurer's Report:

- Will indicated that we still have in the neighborhood of \$7,000.00 in the Chapter bank account.

### Head Road Captain's Report:

- No Road Captain's Report. Wendell is out west riding with some of the Chapter.
- Last month Wendell indicated that a Group Riding Video has been added to the Chapter's Web Site. Please check it out.

## Dealer's Corner:

- Bill Koester spoke about how great it will be to have the Chapter meeting back at the Dealer. He would like a little more time during the Dealer's Corner at each meeting to talk about the Dealership. A Department Manager or designated Department speaker would talk about their Department and discuss any new items they may have for sale, or new bikes that may be coming out. Since the New Riders meeting will be on the same night as the Chapter meeting, it will be a good way to introduce the new riders to the Chapter. He is also working on some other ways to get the Chapter and Dealer to work together like Grilling at the Dealer. Each Saturday, that there is no event happening at the Dealer, the grill be going with burgers and hot dogs. There will be no beer on those days. It would be nice if we could get some cooks to work the grill on those days. He also wanted to welcome DeKalb Harley-Davidson to our family.

## Other Bits and Pieces:

- There was a short presentation by Wally Elliott from DuKane ABATE which stands for "A BROTHERHOOD AIMED TOWARDS EDUCATION". He spoke about their 30<sup>th</sup> Anniversary Toy and Food Run, which will take place on Sunday, October 9, 2016. There will be multiple registration sites. IL H-D will be one of them. Last year Fox Valley H-D had the most participants. Let's try and have IL D-H win. See the Events Calendar for more information.
